While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **Filming on holidays and weekends is generally not permitted**, especially during the summer. Exemptions may be granted on a case-by-case basis. Factors such as size of company, exact location and scope of intended filming, time of year, and anticipated impact on local parking will be considered when reviewing requests for such exemptions.

- **No vehicles shall be driven or parked on Ocean Front Walk between the hours of 10:00 a.m. and 7:00 p.m**. unless approved by The Department of Recreation and Parks.

- **Speedway shall not be used for parking of vehicles or equipment and must remain open to emergency vehicles.**

- **All vehicles and equipment (including private automobiles) associated with the production company shall be legally parked unless specific exemption is granted by the film permit.** No vehicles or equipment shall be permitted to park on Ocean Front Walk or the Venice Recreation Area property unless approved by The Department of Recreation and Parks. The use of private parking lots is strongly encouraged. Publicly owned parking lots in the area are managed by PCI parking and must be added to the filming permit and cleared with the appropriate agency.

While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.
